Introducing: COMICS INTROSPECTIVE!

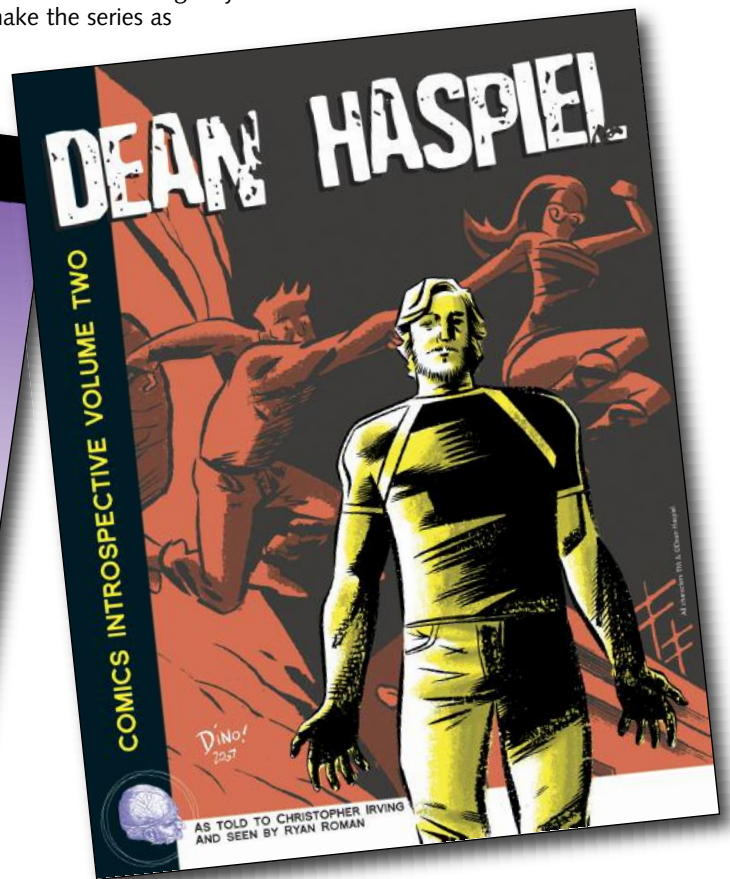

TwoMorrows Publishing proudly presents a new book series that spotlights indy comics talent with an outside-the-box approach. Through a combination of original photography, multiple art gallery sections, and an introspective dialogue with each subject, **COMICS INTROSPECTIVE** is unlike anything being published. Printed on deluxe glossy stock to maximize the impact of the art and photography, the goal is to make the series as breakthrough as the innovators it covers.

Volume 1: PETER BAGGE

With a unique, expressive style, **PETER BAGGE's** work runs the gamut from political (his strips for reason.com), absurdist and satirical (the **BATBOY** strip for **WEEKLY WORLD NEWS**), and dramatic (**APOCALYPSE NERD**). From his Seattle studio, Peter Bagge lets journalist **CHRISTOPHER IRVING** in on everything from just what was on his mind with his long-running Gen X comic **HATE!**, to what's going on in his head as a political satirist. This debut volume of **COMICS INTROSPECTIVE** features an assortment of original photography, artwork picked by Bagge himself, and a look at where Bagge's work (and mind) is taking him.

(128-page trade paperback) \$21 US • ISBN: 9781893905832
Diamond Order Code: DEC063948 • Ships July 2007

Volume 2: DEAN HASPIEL

Volume Two shines a light on **DEAN HASPIEL**, the multi-genre cartoonist behind **BILLY DOGMA**, the existentialist bruiser hero, and the artist on Harvey Pekar's **AMERICAN SPLENDOR** mini-series and **THE QUITTER** graphic novel. Writer/editor **CHRISTOPHER IRVING** hangs with Dean in his Brooklyn apartment for the day, talking about Haspiel's diverse and unique approach to comics, his use of Dogma as a semi-biographical "avatar" ... and just what "Aggro-Moxie" really is. Featuring galleries of original Haspiel art, as well as original photographs by **RYAN ROMAN**, and an introduction by **Y The Last Man's BRIAN K. VAUGHAN**, we continue this experimental and bold new series.

TwoMorrrows News Today

Summer 2007 Update Edition • Hype and hullabaloo from the publisher determined to bring new life to comics fandom • Edited by John Morrow

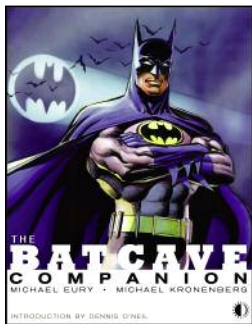

New Cover Art!

For various reasons, we've had to change cover art on a couple of items since we published our January catalog. Above are new covers for **WRITE NOW #16** (shipping in July), and **MEGO 8" SUPER-HEROES: WORLD'S GREATEST TOYS** (shipping in October)! For **WRITE NOW**, we've added a roundtable of Silver Surfer writers, including **STAN LEE, STEVE ENGLEHART, JIM STARLIN, J.M. DEMATTEIS,** and **RON MARZ**, so we felt this new cover painting by **MIKE ZECK** seemed spot-on. And the **MEGO** cover changed at the polite request of our friends up at DC Comics, so who are we to argue? Same great pubs, but with great new fronts! Get 'em soon!

BATCAVE DELAY

Our upcoming book **THE BATCAVE COMPANION** (by **MICHAELS EURY** and **KRONENBERG**) has been pushed back to April, to allow extra time to make it the most outstanding "Companion" we've ever done. Stay tuned! We guarantee it'll be worth the wait!

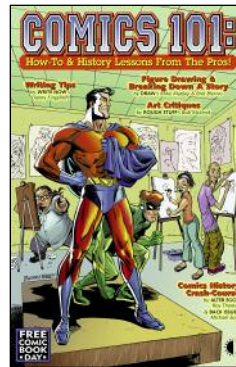

Digital Editions: \$2⁹⁵

Beginning with our July issues, we'll begin offering digital editions of all our new magazines at www.twomorrrows.com, for only **\$2.95 PER DOWNLOAD** (way less than **HALF THE PRICE** of the printed versions)! Not only that, but these new PDF editions will feature much of the art from our printed magazines' black-and-white pages in **FULL COLOR!** As a special bonus, subscribers to our printed magazines will get **FREE ACCESS** to the digital versions of the issues in their subscription, which will generally be available 2-3 weeks **BEFORE** copies are even printed. So if you've hesitated to subscribe because our mags show up in your local comics shop before they're in your mailbox, you can now see the whole issue digitally (and in color) weeks earlier, for no extra charge!

We're offering these digital editions as a test to see if there's a market for them, not as a way to do away with printed magazines. But we're relying on the honesty of our readers, to **NOT** share their digital editions with others. Since we rely on sales from every printed copy and download to keep the magazines going, if readers illegally share these files with others, the TwoMorrrows mags you love so much could cease to be published in **ANY** format. So enjoy the files, but make sure you pay for yours! And if you're a subscriber, send your e-mail address to www.twomorrrows.com to get free access to these new digital editions!

We Built It, And They Came...

Over 25,000 copies of **COMICS 101** (our Free Comic Book Day publication) were handed out on May 5 at comics shops across the country, and from our webstore. And thousands more have been given away at conventions we've attended. If you somehow missed your copy of this great sampler of our mags (featuring "how-to" and history lessons from our editors), you can still get one online for a measly **\$2 IN THE US** (which covers our postage costs to send it to you). Get it while the gettin's good!
